The Product	The Benefit	The Necessity
Accident/Disability Policy: <input type="checkbox"/>	Helps provide a financial cushion beyond an accident to include a disability rider	An injury may be debilitating and could stop the physical capacity to earn a living.
Short-Term Disability Policy: <input type="checkbox"/>	Helps with the loss of pay resulting from sickness/injury through monthly benefits	According to the National Safety Council, an average of 2,990 disabling injuries occurs every hour during the year.
Cancer/Specified-Disease Policy: <input type="checkbox"/>	Helps with the medical expenses related to cancer treatment ( <b>rider</b> : heart-attack, stroke and end-stage renal failure)	In the US, men have slightly less than a 1-in-2 lifetime risk of developing cancer; for women, the risk is a little more than 1-in-3.
Hospital Confinement Indemnity Policy: <input type="checkbox"/>	Helps with the non-covered expenses of a hospital stay	In 2005, the average hospital expense, adjusted per inpatient day, was \$1,522.42.
Sickness Indemnity Policy: <input type="checkbox"/>	Provides a physician visit benefit that covers sickness, accident, and wellness visits + basic sickness-only benefits	Illness rather than injury is the leading cause of emergency room visits.
Dental Policy: <input type="checkbox"/>	A portable, no-deductible plan that offers freedom of choice and no coordination of benefits	Good oral care helps reduce the likelihood of expensive treatment and work disruption later on.
Term and Whole Life Insurance Policy: <input type="checkbox"/>	Individually owned, economical protection with spouse and child options	Growing families are most at risk if one or both of the breadwinners suffer an untimely death.
Vision Now: <input type="checkbox"/>	Helps with the expenses of covered eye diseases and disorders as well as the expenses of eye care	According to the 2006 NHI Survey, 21.2 million Americans over the age of 18 experienced vision loss.
